January 2020

Sunday Celebrations at 10:30 am

Sunday, January 5: *Hymn Sing* -Stephanie Ortolano

Let's sing in the New Year with a service of singing. We will be singing songs old and new and requests will be taken!

Special music by Stephanie Ortolano

Sunday, January 12: *Practicing Possibility* -Rev. Margaret Weis

In a world that demands so much of our energy and effort to work for justice and compassion, how do we tend to our spirits? As we strive to juggle the demands of our lives, where does spiritual practice and intentionality come in? Join us as we reflect on the possibilities that exist when we tend to our whole selves.

Special music by First Unitarian Pickup Choir

Sunday, January 19: *Multiplying Possibility* -Rev. Margaret Weis

How can we push past the challenges and tragedies of our world that threaten to knock us down and, instead, push open the door of possibility to move forward and multiply love in this world? Join us for a multigenerational service where we explore the possibility of joining our efforts together.

Special music TBD

Sunday, January 26: *Possibility - How Do We Know?* -Rev. Margaret Weis

At times we know what is possible, but how do we know which choice is right? How do we discern which path is that which we need to follow. Join us as we explore these things together.

Special music by David Coester, guitar

Our Vision

As the Unitarian Universalist presence in Ithaca, we envision ourselves as a vibrant, dynamic community. We cherish fellow seekers, nurture open dialogue and spiritual growth, and inspire action on matters of conscience, serving as a beacon of reason and hope in our interconnected world.

Ministerial Musings

"Don't ask yourself what the world needs. Ask yourself what makes you come alive, and go do that, because what the world needs is people who have come alive." -Howard Thurman

As we enter into a new year, I invite you to ponder on this idea. The amazing Howard Thurman calls us to ask ourselves what makes us come alive, and do that – because the world needs people who have come alive.

The world needs you. There are so many possibilities that live through you in this world.

So many of us are creatures of habit, of routine, and of getting by day-to-day. I wonder what it might be like for us to break some of those habits – to search deep within ourselves and seek out the things that make our heart race, our eyes widen and our adrenaline rush. What are the possibilities that live in that space? How can we build lives that call us to be those versions of ourselves – the ones that bring us, and in turn the world, alive?

A new calendar year brings with it the possibility of a fresh start, turning over a new leaf, and trying something new. What will you try this year? What will be your practice this year?

Perhaps it is practicing kindness or generosity. Perhaps it is living into the possibility that every person (including you) is doing the best you can. Perhaps it is to refrain from speaking ill of others. Maybe 2020 is the year of being honest and open with your people, and yourself, about what you need, dislike, and want to change.

Who knows what this year will bring!

Whatever it brings, I am grateful to have you as part of this faith community. I continue to be excited about the possibilities we, as a congregation, can engage with in this community and world. Here's to another year of living our Unitarian Universalist values each and every day. It takes practice to co-create the world we dream about – thanks for bringing your wonderful self to the journey!

*Happy New Year,
Rev. Margaret*

From Susanne Quagliata, Acting Director, Religious Exploration

Our religious exploration program is using a theme-based curriculum this year. Children and youth are exploring common themes in age-appropriate ways. This approach is helping create multigenerational connections and extending faith development beyond Sunday morning. The following list highlights some of the ways in which what's happening in our religious exploration program is extending beyond the classroom.

- Our children made memory squares that were included in the November aesthetics display in the Sanctuary and they also made acts of kindness boxes for members of our community to spread kindness throughout the month of December.
- Our preschool, kindergarten, first, and second graders made ornaments for Babies First.
- Our second and third graders are stitching together soft dog and cat toys that will be donated to a local animal shelter.
- Our fourth and sixth graders are taking the December collections and assembling kits for the men at Second Wind Cottages.

Volunteers Needed to Make Lunches for Day Center

*We need four volunteers to make and deliver 15 bag lunches each to the St. John's Community Services Day Center on **February 4.***

Volunteers may be individuals, families, or groups of any kind. You would buy supplies, make the lunches no more than 24 hours before delivery, and deliver them between 9:30 and 11:30 am to 618 W. State Street in Ithaca.

Each lunch includes a sandwich, a piece of soft fruit, and a cookie or other small dessert, and should be substantial since the recipients may not get another full meal that day. All foods should be easy to chew.

The Day Center is a drop-in assistance center for Ithacans who are homeless or otherwise in need. FUSIT provides 60 lunches (four volunteers making 15 lunches each) on the first Tuesday of every month.

Please contact Jackie Jablonski at jackiejab@me.com for specific sandwich preparation instructions, if you have questions and / or would like the Social Justice Council to reimburse your expenses.

Application for Pedersen Memorial GA Scholarship

This scholarship was developed using funds donated to FUSIT in memory of Mark Pedersen. Mark loved attending General Assembly (GA) and wanted more members of FUSIT to attend GA as delegates. In his memory, we created this scholarship program to help defray the costs for registration and/or travel to General Assembly for those with financial need.

Each year, no more than up to \$2,000 will be granted to applicants showing financial need.

Application Deadline: **March 1st** (additional applications will be accepted through **April 30th** if the maximum amount has not been granted by that date). Email or print to office@uuthaca.org.

The guidelines for this scholarship are as follows:

- An active member of FUSIT or registered participant in FUSIT RE program.
- Each family can apply for support for up to 2 people's (youth and/or adult) early registration fees.
- Applications for other support will be seen as indication of level of commitment of individual and will not be assumed to replace a FUSIT grant (in other words, if they receive a work assignment that covers registration, they may still use the FUSIT money to defer travel/housing costs).
- No family will receive a grant 2 years in a row, and preference will be given to those who have not received FUSIT funding in the past.
- A team of 3, including the minister and at least one Board member, will review applications and make the grants.
- All applicants who are granted funding must attend General Assembly as delegates on behalf of the First Unitarian Society of Ithaca. See the guidelines for delegates here: <https://www.uua.org/ga/congregations/delegates>
